

# Healing Mind

*Healing Mind* is the ultimate supplement for honing in brainpower and sharpening focus. The potent compounds combined here are formidable opponents to brain fog, anxiety, and ADHD. DMAE is an amino acid crucial for proper nerve conduction and signal functioning in the brain and in the rest of the nervous system. This, along with the rest of the extracts and vitamins in *Healing Mind* are helpful in treating:

- **(ADHD) Attention Deficit Hyperactivity Disorder**
- **Boosting Memory and Brainpower**
- **Symptoms of Alzheimer’s Disease & Dementia**
- **Reducing Anxiety & Depression**
- **Alleviating Complications from Schizophrenic Anti-psychotic Drugs**
- **Boosting Athletic Performance by Speeding up Reaction Times**
- **Relieving Symptoms of Autism**
- **Slowing Body’s Production of Arachidonic Acid to Slow Signs of Aging**

## This formula includes:

**DMAE Bitartrate** (*Dimethylethanolamine*)  
May improve cognitive function, specifically executive functions: memory, creativity, or motivation.

**Rhodiola** (*Rhodiola rosea*)  
Works to protect the cardiovascular system and stimulate the central nervous system. It aids in the transport of neurotransmitters in the brain to help the body adapt to stressors.

**Ginkgo** (*Ginkgo biloba*)  
Best known as a treatment for dementia, Alzheimer's disease, and fatigue. May also be used to treat anxiety and depression.

**Eleuthero** (*Eleutherococcus senticosus*)  
Contains chemicals that bind to estrogen, progesterin, mineralocorticoid, and glucocorticoid receptors. Studies have shown it reduces LDL cholesterol & improves LDL/HDL ratios.

**Passionflower** (*Passiflora incarnata*)  
May improve menopausal symptoms, PMS, insomnia, depression, anger, headaches, and help balance hormones. Also shown to aid in lowering blood pressure, reducing anxiety, addressing ADHD symptoms, reducing insulin levels, and lowering system-wide inflammation.
