

Phyto-Derm

Dietary Supplement with Biotin and Organic Herbs to Support Skin, Hair, and Nail Health

Biotin (1,000 ug)

Biotin promotes skin, hair, and nail health by supporting metabolism and healthy cells. Also known as Vitamin B7, Vitamin H, or coenzyme R.

Vitamin E (30 IU)

Vitamin E is a valuable antioxidant which helps to keep damaging free radicals in check while reducing the signs of aging. It also helps to increase circulation, improving blood flow through hair and nail-growth structures.

Folate (100 ug)

Folate is an important nutrient required for cell development and the growth of tissues. In addition to its well known role in reducing birth defects, it supports firm skin and the growth of hair and nails while reducing the signs of aging. Also known as Vitamin B9.

Suggested Application

Take 1-2 capsules up to 3 times daily, or as directed.
