

ADK - 10

Immune, bone, muscle, eye & heart health.

This high potency combination of vitamins A, D, and K work together to support a healthy immune system, bones, muscles, eyes and heart. These 3 fat soluble vitamins aid in supporting bone, heart and immune health.

Not for use during pregnancy.

Suggested Use

Take 1 capsule daily or as directed by a qualified health professional.

Other Ingredients

Gelatin Capsule.

This Formula Includes:

Vitamin A (*retinol, retinal, retinoic acid & beta-carotene*)

5,000 IU

Supports eye health, immune system bone health and reproductive health. May reduce acne and is naturally found in: leafy greens, tomatoes, cantaloupe, mango, beef liver, fish oils, milk and eggs.

Vitamin D (*calciferol*) **10,000 IU**

Helps with regulating the absorption of calcium and phosphorus and facilitating normal immune system function. Naturally found in: fish, plant-based milks, beef liver, certain mushrooms and yogurt.

Vitamin K (*phylloquinone, menaquinone, menadione & naphthoquinone*) **500 mg**

Helps with various proteins that are needed for blood clotting and the building of bones. Can be found in: leafy greens, soybeans, and meal replacement shakes.
