A synergistic blend of medicinal mushrooms, bee propolis & herbal extracts to help support the immune system. Helps healthy immune system response function, helps maintain white blood cell activity and has natural antioxidants.

Suggested Use

Take 2 capsule morning and evening with food, or as directed by your healthcare practitioner.

Other Ingredients

Cordyceps Sinensis, Ganoderma Lucidum, Grifola Frondosa, Bee Propolis, Sambucus Nigra, Echinaecea Root, Oregano, Acerola Fruit, and Gelatin Capsule.

This Formula Includes:

Vitamin C (from Acerola Berry) 50 mg

Acerola (Barbados Cherry or West Indian Cherry) is one of the richest natural sources of ascorbic acid (Vitamin C). Acerola is a source of several macro and micronutrients. Ascorbic acid is one of the most important water-soluble vitamins, essential for collagen, carnitine and neurotransmitters biosynthesis. Most animals and plants can synthesize ascorbic acid, but humans are unable to synthesize it, therefore, humans require it as an essential supplement in their diet.

Cordyceps Sinensis (Caterpillar Fungus) is a medicinal mushroom that can improve energy, appetite, stamina, libido, endurance and help with sleeping patterns. Known for its immune boosting powers.
