

Pectasol

Indicated for Detoxing & Immune Support

Contains modified citrus pectin that has been clinically shown to support cellular health, normalize immune responses and provide healthy detoxification. Pectasol is derived from the pith of citrus fruit peels, including lemons, limes, oranges and grapefruits, and is modified using a proprietary enzymatic and pH process.

Suggested Use

Take 1 capsule 3 times/day or as directed by your healthcare practitioner. Take on an empty stomach at least 30 minutes before or after food, supplements or medications.

Other Ingredients

Sodium, Potassium, Gelatin Capsule, Microcrystalline Cellulose & Vegetable Stearate.

This Formula Includes:

Pectasol (*citrus pectin*)

Pectasol is rich in galactosyl residues (which help bind onto toxins and transport them out of your system.) The citrus pith blend helps flush the body of toxins while still keeping necessary minerals in your system.

Try adding citrus to your water!
