

Megaspore Biotic

Indicated for Gut Health

This 100% spore-based, broad-spectrum probiotic shown to *maintain healthy gut barrier function*. This unique, all-spore formula, *effectively reconditions the gut by promoting microbial diversity and maintaining key health-promoting, commensal gut bacteria*. Shown to *increase the two mucus bi layers of the gut, thus causing nutrient production for a robust natural microbiome without the need of taking various other probiotics*.

Suggested Use

Start with 1/2 capsule to 1 full capsule with food and slowly increase to 2 capsules per day using the following protocol or as directed by your healthcare practitioner.

Week 1: 1 capsule every other day

Week 2: 1 capsule daily

Week 3+: 2 capsules daily

**Does not need to be refrigerated*
