

Neuro-Protect Plus

*Indicated for Healthy Brain Function
& Memory Support*

This unique blend of ingredients helps boost overall cognitive function and memory while improving thinking skills, blood flow and learning abilities. The key ingredient, Choline, found in Alpha GPC, is crucial for memory, learning function, and cognitive brain function. Choline has been shown to help improve both emotional and mental health.

Suggested Use

Take 2 capsules day or as directed by your healthcare practitioner.

Other Ingredients

Olive Leaf Extract, Bacopa Monniera Extract, Lutelion, Rutin, Lavender, Rosemary, Holy Basil, Piperine, Microcrystalline Cellulose, Silica & Vegetable Cellulose.

This Formula Includes:

Alpha GPC (*alpha-glycerolphosphorylcholine*)

Improves mental and physical performances while increasing the release of the neurotransmitters that facilitate learning and memory. Also increases endurance performance and growth hormone production.

Natural Sources: Eggs, Soybeans, Poultry, Fish & More!

Peppermint (*Mentha piperita*)

Can help relieve stress, tension headaches/migraines by increasing blood flow and easing pain and muscle stiffness. Improves memory, focus, concentration and mental performance by stimulating the mind and reducing mental tiredness.
