SUPPLEMENTS

Liposomal Glutathione

Indicated for Antioxidant Support

Glutathione is an important nutrient in the body that supports antioxidant defenses, cellular function, and liver detoxification pathways. It polices and protects the body from the damaging effects of infection, trauma, inflammation and aging.

Contains:

Glutathione & Phospholipid	375 mg
Setria® Glutathione	250 mg
Phospholipid Complex	125 mg

Suggested Use

Take 1 capsule 1-2 times daily with meals or as directed by a qualified health professional.

Quantity: 45 Capsules.

Other Ingredients

Extra Virgin Olive Oil, Beeswax, Calcium Carbonate & Gelatin Capsule.

Liposomal Glutathione

Glutathione is found in virtually every cell of the body and plays a critical role in a variety of functions.

- **Protein Synthesis**
- **Enzyme Function**
- **Transport and Cell Maturation**

- Naturally-occurring tripeptide that confers antioxidant assistance and **supports detoxification in the liver.**
- **May protect the body from free radicals** to support cellular function and homeostasis.
- **Glutathione is absorbed in the intestines.** The liposomal form protects glutathione bonds from the degradation that can occur in digestion.
- In a vitro bioavailability study, **optimal levels of glutathione have been associated with physical and mental health.**

The ingredients in this product are supplied by the well-respected USA and/or European vendors, and they are HPLA analyzed for purity and quality. These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure, or prevent any disease.
