Healing Veins

Indicated for Vein Support

Each of the four herbs in this formula has been used for hundreds of years to treat conditions involving veins and vascular edema. This formula combines the herbs in optimal proportion and was perfected over years of clinical use. The herbs act synergistically to treat problems of the venous system. Vein Tonic has strong anti-inflammatory action, it strengthens and heals vein walls, helps control venous bleeding, reduces venous edema and helps control infection.

- Pelvic Congestion
- Edema
- Varicose Veins
- Chronic Venous Insufficiency
- Venous Edema
- Hemorrhoids
- Thrombophlebitis

The ingredients in this product are supplied by the well-respected USA and/or European vendors, and they are HPLA analyzed for purity and quality. These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure, or prevent any disease.

This Formula Includes:

Butcher's Broom Herb (*Ruscus aculeatus*)

May relieve varicose veins, hemorrhoids & pelvic congestion by reducing blockages & opening ducts in veins that can cause these maladies.

Yarrow Leaf (*Achillea millefolium*)

This herb has a wide range of medicinal uses such as treatment of skin wounds, promotes blood clotting, treatment of colds, fevers, promotes kidney health, and relieves menstrual pain. It is also used as an antiseptic, antispasmodic, and vasodilator.

Witch Hazel (*Hamamelis virginiana*)

Used to treat skin wounds, control bleeding, treat eye problems, and tumors. Treats bruises, hemorrhoids, inflammation, diarrhea, colitis, nose bleeds, and varicose veins.

Horse Chestnut Bark (*Aesculus hippocastanum*)

Increases venous tone reducing varicose veins and hemorrhoids. May reduce swelling, and may aid in multiple circulatory diseases.

Other Ingredients

Microcrystalline Cellulose, Magnesium Stearate & Gelatin Capsule.
