

Healing Magnesium

Indicated for Total Body Health

Magnesium and stomach-friendly Slippery Elm is absorbed unchanged through the intestinal mucosa without the ionization that is required with magnesium salts. Slippery Elm maintains a soothing action throughout the entire digestive system.

Suggested Use

Take 1 tablet daily or as directed by a qualified health professional.

Ingredients

Each tablet contains 250 mg of magnesium as rice protein chelate, Slippery Elm (*Ulmus fulva*) inner bark, microcrystalline cellulose, guar gum, stearic acid, and magnesium stearic acid, and magnesium stearate.

Magnesium:

An extremely important mineral involved in many very important enzymatic pathways. It is involved in energy metabolism, inhibits platelet aggregation, dilates blood vessels, has antispasmodic effects on all muscle tissue types, and enhances immune function.

This blend is intended to reduce bowel transit time and absorb toxins from the bowel, increasing fecal bulk and diluting stool materials, thereby reducing stool contact with the intestinal mucosa. This formula **enhances beneficial bacteria in the gut and provides an excellent substrate for bacterial fermentation.**

The ingredients in this product are supplied by the well-respected USA and/or European vendors, and they are HPLA analyzed for purity and quality. These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure, or prevent any disease.
